CULTURE SUPPORTS EDUCATION

Lesson title: Getting to know each other

Objectives:

1. Break the ice among them and try to know about the others.
2. The teachers will try to create a very good atmosphere for the rest of the week.
3. Share information about them and find similarities with the rest.
4. Improve the communicative competence of the students.

Introduction:

The class starts trying to create a nice environment asking them to participate

Materials:

1. Photocopies to fill
2. Pens
3. White papers

Contents:

1. Present simple
2. Wh questions
3. Present perfect
4. 1st and 2nd conditional

Activities:

1. Guess the false one: Write 3 sentences about you: 2 of them must be true and one must be false.
2. Find someone who: in this activity you will discover the names of the students and their hobbies, favorite food...
3. What would you do if...? In groups of four they must talk about how to act in some situations

4. Describe a famous person. The rest must guess it

5. I have never....

Evaluation:

To evaluate this activities the teachers will try to check if all of them participate and even will mix with them to collaborate.

The teachers asked the students for a feedback of the activities and to make sure they felt better and more confident at the end of the lesson.
